B2BKing: Ultimate B2B Plugin for WooCommerce

- Documentation -

First of all, thank you for purchasing B2BKing!

You are awesome!

Documentation for B2BKing is available ONLINE at:

https://woocommerce-b2b-plugin.com/docs

Quick Start Guide

1. Log into your WordPress site.

2. Go to: Plugins > Add New > Upload

3. Find and select **b2bking.zip**, upload and activate

4. In the Admin Dashboard, a new menu appears named "B2BKing"

5. Go to B2BKing-> Dashboard and change "Plugin Status" from disabled to either "B2B Shop" or "B2B&B2C Hybrid" depending on your store type.
